CHEW ON THIS AND THAT WHILE SUPPORTING LOCAL AGRICULTURE AT THE NEW BALTIMORE COUNTY FARMERS MARKET OPEN JUNE THROUGH OCTOBER

Want something new to chew on? More than **20 Baltimore County Farmers** have joined together to form the **new Baltimore County Farmers Market** offering high quality **local** produce, meats, flowers, goods, gifts and more to the community. The **Baltimore County Farmers Market**, conveniently located with free parking **at the Maryland State Fairgrounds North Gate**, will take place **every Wednesday from 2 p.m. – 6 p.m.**, beginning with a **sneak preview on June 2**, followed by a **Grand Opening and Ribbon Cutting ceremony on June 9, 2010**. The Grand Opening will feature greetings from local dignitaries, live entertainment, giveaways, and a special strawberry preparation demo, featuring local Baltimore County strawberries, by Chef Carole Brosso from *Patrick's of Cockeysville*.

“Our market will be unique in that it will be exclusively run by Baltimore County farmers with Baltimore County raised products,” said Baltimore County Farmers Market Manager Bill Langlotz. “A variety of fresh in-season fruit and vegetables starting with strawberries, asparagus, spinach, lettuce, spring onions and more will be available each week. Chicken, beef, bison and honey are just a few of the other featured local items. It makes me hungry just to talk about it,” added Langlotz.

Among the participating Baltimore County Farmers: Albright Farms, Atwater's Bakery, Calvert's Gift Farm; Gunpowder Bison & Trading Company; Hills Forest Fruit Farm; Hope Ridge Farm; Nick's "Backfire" Brands Spices and Rubs; One Straw Farm; Pahl's Farm; Simmer Rock Farm; Springfield Farm; Talmar Gardens and Horticultural Center; Warns Produce Farm; White House Nursery Fresh Flowers, and more.

For more information, contact Baltimore County Farmers Market at 410-207-2165 or www.baltimorecountymarket.com.
