

# THE GREATER JACKSONVILLE ASSOCIATION, INC.

## Renew your membership for 2010

### Greater Jacksonville Association, Inc.

GJA is a broad-based community membership association, founded in 1977 to represent the interests of residents and community associations in the Greater Jacksonville and surrounding areas. The mission of GJA is to maintain and improve the community in which we live. GJA acts as a conduit to deliver useful information to its members about issues and concerns for the community and to solicit input on topics of concern.

GJA is committed to working with the community, local elected representatives, state and county officials, local businesses and developers to preserve the way of life we value so much. By following a master plan for the area, GJA acts as a watchdog group in representing the community. In addition, general meetings offer a forum for open discussion within the community.

### Meetings

Meetings are usually held on the third Tuesday of each month at 7:30 p.m. (except July and August) Unless otherwise specified, at the Jacksonville Elementary School library

### Membership

Broad community membership in GJA is essential to achieving our common goals. Our most vital asset is the support of our growing membership.

Dues are \$12 per household and are payable on a calendar year basis. Dues must be paid at least 30 days before you are eligible to vote on Association matters or elections, as specified in the By-Laws.

**Contact:** Mail To: GJA  
P.O. Box 126
