

February 2025

Dear GJA Members:

Your continued support is so important to the success of the Greater Jacksonville Association in its efforts to maintain Jacksonville as a sought after rural residential and commercial Village location. The GJA has an important voice with County officials in our quest to fend off the commercialization and uncontrolled growth of our community.

Although the officers and Board members serve without compensation, the costs to maintain the financial viability of the Association have been increasing for years. In order to defray part of the costs, the Board has voted to increase the annual dues by only \$5.00 to \$20 per calendar year, which allows two votes per household. Some of the costs are for insurance; meeting room fees; website maintenance; photocopying fees; attorney fees, if needed, and other administrative costs. Dues must be paid at least 30 days before you are eligible to vote on Association matters or elections, as specified in the By-Laws.

Regards,

President David Palmer

Treasurer Marc Peters

**Please use the form below if paying by check, and mail in your membership today! If you have already paid your dues for 2025, please ignore this notice.**
